Jordans 2019 Cheap will be releasing a women's-only Air Jordan 1 High Premium in a "Fossil" colorway that matches the upcoming "Mushroom" Air Jordan 4. This Air Jordan 1 features a Khaki tone on the overlays with Black appearing on the ankle, liner, tongue, toe, Swoosh, and heel. Dressed in a Black, Fossil, and Pale Ivory color scheme. Ivory side panels atop a White midsole and icy iridescent translucent outsole completes the design.

Nike Shoes, This rendition of the basketball shoe strips down the original Why Not Zer0.2 for a lighter, lower and faster take on the performance silhouette. It comes with a deconstructed design with a translucent lace cage that includes a tag that reads, "0.2//SE." Dressed in a White, Ghost Aqua, Hyper Royal, Volt, and Sail color scheme. Exposed Flywire cables, open-holed mesh on the tongues and heels, Zoom Air unit atop a translucent outsole completes the design.

Retro Jordan, The Air Jordan 3 Tinker, which is inspired by Tinker Hatfield's original Air Jordan 3 sketch, is set to return in 2019 in an upcoming "Black Cement" colorway. This offering features a Black suede and leather upper with matching Black elephant print overlays. 3M Reflective Cement Grey covers the tongues, eyelets and Swoosh logos, while having tonal Black "Nike Air" branded heel tabs. A White midsole, Metallic Gold detailing atop a Grey rubber outsole completes the design.
