---

Air Jordan 11, First worn by Michael Jordan during the 1996 NBA Playoffs, the sneaker helped him earn another championship and NBA Finals MVP. The Air Jordan 11 Bred 2019 is one of the most popular colorways ever to be produced on the iconic silhouette, and the sneaker's OG styling is going to be returning for the holiday 2019 season. The shoe will feature the same original high-cut patent leather upper and it is still unconfirmed whether they will come with "45" or "23" on the heels.

The Nike Shoes will release in a brand new Red and White colorway consisting of a White leather upper and Red accents. Other notable details we're able to point out in the images include the OG-style hangtag the custom oversized box that's split in Blue/White with a grid pattern and classic Black/Red along with each shoe's corresponding years. Shared on IG by Hiroshi Fujiwara, the Nike Air Ship x Air Jordan 1 Pack includes the 1984 Nike Air Ship PE and the 1985 Air Jordan 1 High.

Jordans 2019 Cheap exclusive "Fearless Ones" collection, continues with this Air Jordan 1 High Zoom, No glitz or glamour for this Nike Air Force 1 as the legendary Uptown has taken on a very simple look. Coming in the high top variety, this Air Force 1 gets covered in a white smooth leather all throughout the upper with tonal detailing hitting the tongue, inner liner, ankle strap, laces, and midsole/outsole unit. Defined by the incorporation of Nike's signature Zoom Air cushioning technology, the sneaker's blacked-out upper that is treated with a 3M reflective finish, that reveals an iridescent sheen when exposed to flash.
